Introduction

When it comes to our brand identity, each of its elements were carefully designed to bring it to life, create effective communication, and convey and support the Berkshire Hathaway HomeServices brand and messaging.

Consistency of visual impression builds and strengthens our brand — creating communication that is clear, memorable and distinct, and directly translates to building both mind and market share. That’s why it’s essential to always use the original visual identity assets, and to follow the application rules outlined in this guideline.
1.0 Brand Foundations
Brand Foundations

The protection of the brand and its consistent use in accordance with established standards is critical to maintaining the value of our network and the brand. As such, we appreciate your cooperation toward these efforts.

Brand Identity Compliance

In order for Berkshire Hathaway HomeServices to maintain these standards, from time to time every franchisee will be required to submit the following items for review:

- Sample of the business card format endorsed by your company.
- Three samples of marketing materials, which could include your company-approved brochure, radio or TV ads, flyers, listing presentation or magazine ads.
- A list of all company, office and sales professional URLs.
- A photo of the yard sign endorsed by your company.
- A photo of building signage in front of your office.

Once we receive the materials outlined above, all submissions, including the websites, will be reviewed for compliance relative to the established Brand Guidelines (see Operations Manual or REsource Center) and Fair Housing requirements. You will be contacted if there are any items that need to be modified or converted.
Brand Foundations

Brand Identity Compliance (cont.)

We understand that in many cases non-compliant materials are a result of misunderstanding of the Brand Guidelines. We trust that once we notify you of an outstanding issue, you will take care of it within a reasonable requested time frame. Since adherence to the Brand Guidelines is such an important issue for our network, in those cases where efforts to resolve compliance problems are not evident, we will take stronger measures.

When a franchisee does not comply with our requests for materials or will not work with us to address a compliance issue, we will be forced to take the following steps until the situation is resolved:

- Franchisee will be considered “not-in-good-standing.”
- Immediate de-linking from Berkshire Hathaway HomeServices website.
- Suspension of eligibility to receive third-party referrals directed by Berkshire Hathaway HomeServices.
- Loss of company and/or sales professional awards.
- Terminate for cause.
Brand Foundations

Use of “Berkshire Hathaway HomeServices”

The use of the abbreviation “BHHS” is only to be used in the Quality Seal and internally circulated documents that are only available to Franchisee and BHHS personnel. The abbreviation “BHHS” may never be used in marketing or advertising. The only acceptable use is with permission by Berkshire Hathaway HomeServices for use in internet domain names. Global Branding may closely monitor the logo to ensure its correct use. Any variation from exact and correct usage will weaken and corrode the identity of the network and may result in the loss of trademark protection.

NO VARIANCE FROM THE TERMS OF THE BRAND GUIDELINES IS PERMISSIBLE.

The following guidelines will help ensure constant and correct usage:

• Never separate the words Berkshire Hathaway and HomeServices or use them independently.

• The logo may never be typeset and must be reproduced in strict accordance with the Brand Guidelines.

• Your company name must be used once in its entirety in copy. Subsequent references can be shortened to your company name (i.e., Allison & Doyle Real Estate.)
Brand Foundations

2.0 Referencing Mr. Buffett
Referencing Mr. Buffett

References to Mr. Warren Buffett, chairman and CEO at Berkshire Hathaway Inc., whether in electronic, print and social media, and including references made by third parties and outside sources, plus photos, illustrations and graphics, are not allowed unless permission is specifically provided by HomeServices of America. Mention or references to Berkshire Hathaway Inc., outside of reference to Berkshire Hathaway HomeServices, also are not allowed.

Franchisees must not link to any webpage or website that refers to, describes or includes Berkshire Hathaway Inc. or Warren Buffett, unless the web address, text or graphics are provided by HomeServices of America.

Overview

On the next pages you will find approved quotations from Mr. Buffett that may be used by the Berkshire Hathaway HomeServices franchisee network. Berkshire Hathaway, the owner of the marks, granted permission but ask we follow three requirements to use these quotes:

1. The quotes must be used in their entirety. They cannot be edited or revised in any way.
2. They must include the following attribution:
   - Warren Buffett, chairman and CEO, Berkshire Hathaway Inc.
3. Prior to use, all materials that use a quote from Mr. Buffett must be submitted to the Global Branding Department at GlobalBranding@HSFranchise.com.
“A home is one of the most important assets that most people will ever buy. Homes are also where memories are made and you want to work with someone you can trust.”

“Berkshire Hathaway wants to be in businesses that are enduring. Real estate brokerages will be around 100 years from now and HomeServices of America will be around 100 years from now. We love that HomeServices is part of Berkshire Hathaway and we would love to see it grow a lot.”

“I think you want to join a company that’s going to be around forever. Berkshire Hathaway is built to be forever, it’s true of all our businesses that we own. You want to be part of an organization that’s not looking to sell out next week or next month or next year or where the place will crumble when the founders leave. In terms of permanence, we can’t be beat. Not only can we not be topped by anyone, we can’t be matched by anyone.”

“HomeServices has proven itself big time. When others were contracting, HomeServices added a number of brokerage operations, there were certain markets that shrunk temporarily, but there was no financial pressure to do it. We were playing offense when the others were struggling to play defense.”

“HomeServices will be around tomorrow, next week, next month, and a century from now. If you’re making an investment in what could be the most important asset you’ll ever have, you should want to know that if you have any questions about anything, that you don’t find a sign on the door that says “out of business.” That will never happen with HomeServices.”

“We think the Berkshire Hathaway name will be good for HomeServices and HomeServices for Berkshire. When people are making the decision of the magnitude of buying a house, it’s the biggest decision a great many families will ever make. They want to know who they’re working with and we think that the Berkshire Hathaway name will be reassuring to many of those people.”
Referencing Mr. Buffett

Approved Quotations (cont.)

“I would want to be associated with somebody where the financial strength was unquestioned and where the name stood for integrity. What other quality would you want that Berkshire Hathaway HomeServices does not have; and I don’t think you could find one.”

“We employ over 300,000 people almost in the United States, and in market value Berkshire Hathaway is either third or fourth just in the country, so the name really means something. We love the fact that HomeServices is a part of Berkshire and we’d love to see it grow a lot. If having the Berkshire Hathaway name helps, I’m glad to have it out there.”

“In any operation join up with the best—you will gain from the strengths of those around you. Who else in the real estate brokerage business has the resources of a company that has [billions of] dollars of net worth? And we’re growing. So Get on a train that’s going 80 miles per hour; don’t get stuck on the sideline.”

“Get on a train that’s going 80 miles per hour; don’t get stuck on the sideline.”

“In [Berkshire Hathaway] HomeServices you’re dealing with the ultimate strength; HomeServices will be around tomorrow, next week, next month, and a century from now.”

“What a company stands for is key over time. We talk at Berkshire Hathaway all of the time about building culture, and culture counts. You can’t [build culture] in a day, or a week, or a month, it takes time. Berkshire Hathaway and [Berkshire Hathaway] HomeServices together will be building on values that are the kind you can put on the front page of a newspaper and everyone associated with the company can be proud of.”
Referencing Mr. Buffett

Approved Quotations (cont.)

“You can’t [build culture] in a day, or a week, or a month, it takes time but it’s a terrific asset when you get it. We will be building [culture] day after day, grain of sand after grain of sand. We will be building on values that are the kind you can put on the front page of a newspaper and everyone associated with the company can be proud of.”

“[In a home] You’re making an investment in what could be the most important asset you’ll ever have. The right moment is when you know where you’re going to live for a while, when you find the home that fits your family, and when it’s at level that fits in with your income and ability to make a down payment and then I would get a very long mortgage... 30-year mortgage and the rate will be fabulous, and there is no sense waiting if those conditions exist.”

“Berkshire is going to be around forever, and we want to be in the businesses that are very enduring. [In Berkshire Hathaway HomeServices] we have a rare one that’s going to be taking care of people 100 years from now. Real estate brokerage operations will always be a very important business. The ones that do the best job of serving their clientele are the ones that are going to expand.”

“Berkshire Hathaway wants to be in businesses that are enduring. Real estate brokerages will be around 100 years from now and [Berkshire Hathaway] HomeServices will be around 100 years from now. It will always be a very important business.”

You may advertise in any language as long as you follow the Brand Guidelines for marketing and provided you follow two additional guidelines:

Good to know®

THE IDEA

In real estate, knowledge means strength to the franchise, network broker and sales professional. It means confidence to buyers and it means comfort to the sellers. It implies a spirit of collaboration and a willingness to work together.

We position the brand as the go-to knowledge expert by consistently providing sound insights and genuine advice. Upon receiving those insights and advice, most respond with “good to know.” And we couldn’t agree more.

Our network brokers and sales professionals are good to know. Our market insights are good to know. Our network’s buyers and sellers needs are good to know. Ultimately, Berkshire Hathaway HomeServices is good to know.
Marketing and Advertising

Good to know® (cont.)

**Usage**

The phrase “good to know” can be used as a standalone tagline, per the rules outlined in the treatment on previous pages, or within a sentence. The specific usage within a sentence determines the rules.

When being used in a conversational manner, good to know may simply be written as part of the sentence.

When being used as a tagline, or in reference to the tagline, Good to know.® must be written with a capital “G”, a period and the registered trademark symbol.

When being used underneath a company logo, the tagline should be spaced away from the logo at a distance equaled to 2x the “H” in the “HATHAWAY.”

**Examples:**

Used in a sentence, in reference to our tagline:

- Good to know.® means strength for network brokers and sales professionals.
- Good to know.® also gives confidence for buyers and sellers.

Used in a sentence, in conversational terms:

- We offer unmatched stability, and that’s good to know.
- It’s good to know people who know.

**Other Acceptable Uses:**

Hashtags: #goodtoknow

**Don’ts:**

Don’t use the phrase in a sarcastic tone. It is meant to be pragmatic and genuine at all times. Don’t change the phrasing. e.g.: *It’s good to always know the answer.*
Marketing and Advertising

Selecting photography that aligns with the Berkshire Hathaway HomeServices brand is key. Photographs should always look premium and feel authentic. Images should never look contrived, pedestrian or what could be considered stock photography.

Both exteriors and interiors should strike the right balance of aspirational yet attainable. Homes should look lived-in, but not at the expense of appearing messy or unappealing. When selecting images of people, make sure that their emotions, gestures, and body language feel candid. Avoid images of people looking directly at the camera.

All photos and images may only be used with the permission of their owners. Photos must not be downloaded from the internet without obtaining the proper permissions from the rights owners first.
Marketing and Advertising

Photography Misuse

**MISUSE EXAMPLES**

- **Living area appears messy**
- **Living area looks unlived, empty**
- **Subject is looking directly at the camera**
- **Photo is contrived**

Introduction

It is essential to apply these graphic standards whenever using the Berkshire Hathaway HomeServices name and logo on the internet. Berkshire Hathaway HomeServices urges all to immediately review their existing websites to assure compliance with these standards. Websites have the ability to reach more consumers than any other means of advertising and marketing. As such, the internet is not an exception to these Brand Guidelines; in many ways, it is the medium where the standards mean the most. Misuse of the brand can be the quickest way to tarnish the brand’s image and strength. Proper use of the brand will enhance each franchisee’s business, as well as the value of the brand as a whole.

As part of our ongoing efforts to protect the strength of the brand, Berkshire Hathaway HomeServices will be monitoring network websites and will contact those who require assistance in modifying their sites to comply with these standards. In addition, Berkshire Hathaway HomeServices may issue revised sections to the Operations Manual and/or Brand Guidelines that set forth standards regarding the only permitted uses of Berkshire Hathaway HomeServices logos as domain names and other uses of these licensed marks on the internet.
Internet and Social Media

Common Errors

The following are common errors we find on franchisee and sales professional websites. Please note that these errors are often found in printed advertisements, so you may want to review your overall marketing and advertising components.

1. Compliant company logos must always be used. The most common errors with company logos include:
   - Using the global logo. The company logo (includes your company name) must always be used.
   - Incorrect format.
   - Font, size, and/or color are changed.
   - Not having at least X-Height (height of the “H” in Hathaway) of clear space around the company logo. Using as wallpaper, which is not permitted.

Compliant company logos can be found on the REsource Center.

Your company logo must appear at a minimum on the home page of your website.

2. Using “Berkshire” or “HomeServices” in a generic reference. References such as “Berkshire offices,” “Berkshire sales professional” or “Why Choose HomeServices?” becomes unclear as to whether you mean your company or one of the corporate entities. For that reason, use of the word Berkshire or HomeServices alone is prohibited. Be specific (Berkshire Hathaway HomeServices ABC Realty sales professional...). After referencing the company name in its entirety once in text, subsequent references may be shortened to your company name (i.e., Allison & Doyle Real Estate).
3. **Not including the company disclaimer.** Often, the required disclaimer is not included in the site, or only part of the disclaimer is included. The entire disclaimer, including the copyright notice, must be included, at a minimum on the home page. The required disclaimers can be found in the Marketing and Advertising section (as well as the REsource Center).

4. **Use of the Logo.** The logo cannot be animated, used as wallpaper, or watermark. It may not be incorporated into another logo or graphic.

5. **On a technical note,** all links should have working destinations, and all images should load properly.

6. **References to Berkshire Hathaway.** Franchisees are prohibited from quoting company statistics or making statements regarding Berkshire Hathaway Inc. or HomeServices of America.

7. **Use of the word “REALTORS®.”** Keeping in mind that the name “REALTOR®” is a registered mark of the National Association of REALTORS®, that name should not be used to generically refer to real estate professionals. Your use of the REALTOR® mark must comply with the specifications of the National Association of REALTORS®.

8. **Videos.** Videos should include a company logo and the appropriate disclaimers. Videos should be treated as a marketing piece.

Compliant company logos, disclaimers and Brand Guidelines can be found on the REsource Center, under Marketing > Brand Usage.

Contact the Global Branding Department at GlobalBranding@HSFranchise.com for assistance.
Internet and Social Media

Design Concepts

Web-based media are treated like advertising for purposes of applying the Brand Guidelines. Here are some things to consider when building your website:

Graphic Format:
- Your company logo must appear at least on the home page of your site.
- Your site must contain the appropriate disclaimer, at least on the home page.
- The RGB (Red/Green/Blue) value for Cabernet is R:103, G:0, B:56.
- Your company logo may not be used as "wallpaper" or watermark.
- Your company logo may not be "animated."

Content:
Your company name must be used once in its entirety in copy (i.e., Berkshire Hathaway HomeServices Allison & Doyle Real Estate). Subsequent references can be shortened to your company name (i.e., Allison & Doyle Real Estate).

Keeping in mind that the name “REALTOR®” is a registered mark of the National Association of REALTORS®, that name should not be used to generically to refer to real estate professionals. Your use of the REALTOR® mark must comply with the specifications of the National Association of REALTORS®.

If used, personal logos and slogans may not be larger than the company logo and must appear at least X-Height (Height of the “H” in Hathaway) away from any company logo.
Internet and Social Media

Domain Names

USAGE

Using Your Company Name as Domain Name
The BHHS name and mark is used by franchisees as part of their company name pursuant to the license set forth in each Franchisee Franchise Agreement. Franchisees who wish to create a website, including email addresses, to conduct franchised business may use their approved company name as their domain name. Franchisees may use Berkshire Hathaway HomeServices or BHHS in their domain names, no other abbreviations will be allowed.

Compliant Domain Examples:
Berkshire Hathaway HomeServices John Smith Realty
berkshirehathawayhomeservicesjsmithrealty.com
berkshirehathawayhomeservicesjohnsmithrealty.com
bhhsjsr.com
bhhsjsrealty.com
bhhsjohnsmithrealty.com

Company websites may add an extension to their URL after their franchisee company name (i.e., bhhsjohnsmithrealtynewhomes.com, bhhsjohnsmithrealtycommercialdivision.com), but only with the approval of the Global Branding Department before use, GlobalBranding@HSFranchise.com.
Internet and Social Media

Domain Names (cont.)

Noncompliant Domain Examples:
Berkshire Hathaway HomeServices John Smith Realty

berkhsjsmith.com
berk hathservicesjsmithrealty.com
berkshirehsjohnsmith.com
berkshirehathawayhjsr.com

Note: The use of Good to know.® in domain names is prohibited.

All domains must be approved by the Global Branding Department,
GlobalBranding@HSFranchise.com.

Who Will Register and Own Franchisees’ Domain Name Registrations?

Franchisees are only allowed to use the Berkshire Hathaway HomeServices name and mark as licensees of BHHS. Accordingly, BHHS will own domain names used by franchisees which contain Berkshire Hathaway HomeServices or BHHS (or any abbreviation of BHHS if an abbreviation is authorized). Upon selection and approval of a domain name that meets the required standards, BHHS will register the domain name. The franchisee will be responsible for paying any costs associated with the registration and maintenance of the domain name. If you have already registered any domain name(s) which contain Berkshire Hathaway HomeServices or BHHS or any derivation of these names, you will be required to transfer ownership of such domain names to BHHS.
Internet and Social Media

Domain Names (cont.)

What Domain Name Do I Use if My Company Domain Name is Shared by Other Franchisees?

In general, the “first come, first served” rule will be applied. The company to first request registration of a domain will automatically be granted permission to use that domain name if deemed compliant.

The remaining companies will be required to develop abbreviations of the name in order to come up with different domain names, e.g., (1) bhhssmithrealty.com; (2) bhhsjsrealty.com; or (3) bhhsjsmithrealty.com.

In all cases where something other than the full company name is used and that domain name contains Berkshire Hathaway HomeServices or BHHS, the domain name must be approved in advance by the Global Branding Department, GlobalBranding@HSFranchise.com.

What Domain Name Can Be Used by Individual Sales Professionals?

Individual sales professionals are prohibited from using or registering domain names, social media handles, or email addresses containing BHHS, Berkshire Hathaway HomeServices or any other form of the BHHS name.

Sales professionals may be given a separate page on a franchisee web page from franchise business and they may place the domain name for their page on business cards or other marketing materials, for example, bhhsjohnsmithrealty.com/john-anderson.

Sales professionals who currently own domain names that contain Berkshire Hathaway HomeServices or BHHS must immediately abandon those domain names. Those domains must be transferred to Berkshire Hathaway HomeServices. Contact Global Branding Department for further instruction.
Internet and Social Media

Miscellaneous

MLS Feeds

If space allows, please use your entire company name in the company name field in MLS. Due to field character limitations, you may use the acronym BHHS with your company name. BHHS should be in all caps. Your company logo or your fully spelled out company name should be found elsewhere on the listing itself when the consumer views it. This is important as the public does not relate the acronym BHHS with Berkshire Hathaway HomeServices.

Email Signatures

Compliant Example:

John Smith
Berkshire Hathaway HomeServices Allison & Doyle Real Estate
888-888-8888
JSmith@email.com

Noncompliant Example:

John Smith
Berkshire Hathaway Allison & Doyle Real Estate
888-888-8888
JSmith@email.com
Internet and Social Media

Web Linking

Sales professionals are given the opportunity to “link” their website to the global site (www.BerkshireHathawayHS.com). This means when a client looks up your name in the Agent Search section of the global site, they can click on “View My Website (or View My Profile)” and will be led to your website.

If you have a website you would like to web link, you may submit the following information to GlobalBranding@HSFranchise.com to begin processing:

1. Your name
2. Your company name
3. The website URL to be linked to the global site BerkshireHathawayHS.com.

The process includes a website review for brand compliance. For quicker processing, please ensure your homepage includes a company logo and the appropriate Berkshire Hathaway HomeServices disclaimer.
Internet and Social Media

Web Linking (cont.)

Please note that the ongoing linkage of your website is conditional on your acceptance of the following terms and conditions:

1. Your website must at all times remain in compliance with these Berkshire Hathaway HomeServices Brand Guidelines. The most recent version of the Brand Guidelines may be found on the REsource Center in the Marketing section. Berkshire Hathaway HomeServices reserves the right to review your website for compliance at any time, and to require you to make changes to bring your website in conformity with the Brand Guidelines in our sole and absolute discretion.

2. Either party may terminate the linking arrangement at any time, for any reason or no reason.

3. From time to time, our websites will be unavailable, whether for maintenance or for other reasons beyond our control. By your continued linking of your website from ours, you expressly release Berkshire Hathaway HomeServices from any liability in association with any interruption of access.

Note: Though web linking is available to our sales professionals, using an external domain that directs consumers off the Berkshire Hathaway HomeServices global site will cause some features to not work properly. If you would like more details, please contact the Customer Success Team at (855) 422-9052.
Internet and Social Media

You should not mix your company and personal pages, they should remain separate.

For all social media channels, your entire company name must be on the page and the acronym BHHS must never be used.

Exception to “BHHS” rule: Twitter/Instagram handles for REthink Council Chapters can include “BHHS,” but must also include “REthink.” A reference to the area may be added as well, such as @BHHSREthinkOrlando

A hashtag is a word, phrase, or acronym with the pound symbol (#) in front of it. On social media platforms, if you tap or click on a hashtag, you’ll be shown all of the posts on that platform containing that hashtag. This makes it easy for users to categorize their content and to find specific content in the vast sea of social posts. It helps to draw attention to your posts and encourage interaction.

Forever Brand

The more consumers recognize and respect a real estate brand – and the network that bear its name – as representing their needs forever, the more significant meaning will be placed on the concept of a “real estate agent for life.”

As trusted advisors, we extend value, skills and advice not only before or after a transaction, but also throughout a client’s entire life.

Real Estate’s Forever Brand℠, Your Forever Agent® and Forever Agent℠ are certified registered trademark and service mark phrases and must be written correctly on all marketing materials.

The first letter in every word of “Real Estate’s Forever Brand℠” should always be capitalized and accompanied by a “℠” symbol. The phrase “Your Forever Agent®” should always be capitalized and accompanied by a “®” symbol. When the word “Your” does not precede “Forever Agent℠” the phrase should still be capitalized but accompanied by a “℠” symbol instead.

Color Palettes

The Traditional palette is inspired by colors that pay respect to where the Berkshire Hathaway HomeServices brand came from and how it can be elevated into a fresh look for the future.

**Primary Colors**

The primary colors are Cabernet and White. The main brand color, Cabernet, is reinvigorated to be warmer. It's a bold, unique color that represents creativity and imagination.

**Secondary Colors**

Espresso, Earth, Dove, and Pearl make up the secondary colors. These colors complement the richness of Cabernet with softer, subtler tones, helping the palette to feel mature and refined.

**Accent Colors**

Rosé and Blush are accent colors. These colors should be used in small amounts, to add emphasis.

It is important to use preferred suppliers for your business cards.

Print guidelines: Business cards should be printed on a natural paper stock. The paper should be at least a 100lb cover weight.

Guidelines

- Business card fronts must include the one line disclaimer.
- Sales professionals and real estate teams must use the address of their business office location, not their home address.
- Required items include: name, title, address and phone number.
- Acceptable additional items: email address, website, license number, real estate credentials and affiliations. For real estate credentials and affiliations, no more than five should be included.
Business Cards

Personal or team logos and slogans detract from the professional image and quality that consumers associate with the Berkshire Hathaway HomeServices name and logo. Accordingly, Berkshire Hathaway HomeServices strongly discourages the use of both.

If, despite this discouragement, sales professionals wish to use personal or team logos or slogans, these are acceptable with restrictions.

Guidelines

- Logos are allowed only on the front of the business card. Slogans are allowed on the front or on the back. See this section for examples.
- Logos and slogans may not include symbols, graphic elements or phrases that have political, religious, ideological or other general connotations.
- Acceptable colors for personal logos and slogans are Cabernet, Black or White.
- Slogans must be real estate related.
- Slogans must use the fonts Manrope or Marcellus.

Examples of Acceptable Use

Personal or team logo on a horizontal business card

Personal or team slogan on a horizontal business card

Personal or team logo on a vertical business card

Residential Yard Signage
Residential Yard Signage

Berkshire Hathaway HomeServices signs are an essential brand touch point and as such, require a diligent approach to ensuring consistency. A persistent sameness in the handling of our signs will lead to greater recognition within your market.

In keeping with brand consistency, the same general rules that apply to the logos will also apply to the design and layout of the yard signs. In addition, please refer to the following general rules for further clarity and consistency.

General Rules

You are strongly encouraged to use a preferred supplier. The Marketing Department works with these vendors to ensure that sign color production is consistent with the brand color palettes.

If you choose not to use a preferred supplier, you will need to provide a to-scale rendering to the Global Branding Department at GlobalBranding@HSFranchise.com for approval prior to manufacturing the sign.

Guidelines

• The yard sign version of your company logo eps files must be used to create yard signs.

• Company name must not extend into the 1.5" margins on the left and right sides.

• Signage information must include the company logo and phone number. Additional options can include the sales professional and/or team name, phone number, email, website, license number or mobile number.

• Signage must be produced in the Berkshire Hathaway HomeServices Traditional Theme or Modern Theme, Cabernet & White or Black & White, including all sign riders.

It is recommended that you work directly with a preferred supplier of your choice to determine what information is allowable or required on signage in your market, and in what manner the information needs to be displayed.

Yard signs must include the one line disclaimer.
The following examples show the design and layout of the dome residential yard sign in the Traditional Theme.

The dome yard sign is intended for use with vendors who supply a metal dome-shaped frame into which the sign fits. It can also be used to hang from a yard arm as long as the chain used to hang it is the correct length to avoid the top of the sign hitting the yard arm.

Single agent with cutout photo yard sign layout is best suited for a half upper body photo headshot.

The informational text in the yard sign can be any size - up to, but not exceeding, the height of the “H” in HATHAWAY. Each line of text must fit within the “safe” area indicated. These examples are for illustrative purposes only, and do not represent a required text size. Please work with your preferred sign vendor to establish a layout that fits within these size/area restrictions.

Sign Riders

General rules

Font size is limited to the width of the rider and does not relate to the height of the “H” in the logo like the residential signage.

The name cannot be condensed or extended to fill or reduce space on the rider.

The same color scheme used in the residential signage must be followed: Cabernet & White or Black & White, with the option to reverse out the type in white.

The color scheme used in the sign must be used on the rider. See below.

For example: if the sign is produced in Cabernet & White, then the rider must use Cabernet & White. For Traditional Theme sign, rider should be Cabernet & White.

- “SOLD” riders must be produced in Cabernet & White or Black & White only.
- Sign riders can be 6” to 9” high and can be the width of the yard sign.
- Riders can have anything related to the home or agent contact information and may also have the sales professional’s personal logo as long as it is produced in Cabernet & White or Black & White.
This page shows some examples of sign rider designs.

Riders can have anything related to the home or a sales professional's contact information and may also have the sales professional's personal logo as long as it is produced in Cabernet & White or Black & White.

Permitted fonts on sign riders are Marcellus and/or Manrope.
